

ASCO-NANOMAT 2015

August 19-26, 2015

Vladivostok

Third Asian School-Conference on
**Physics and Technology of
Nanostructured Materials**
Vladivostok, 19 - 26 August, 2015

Dear Olga Goroshko,

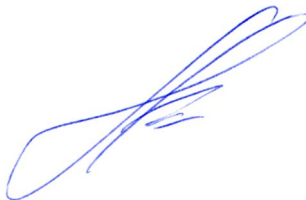

On behalf of the Programme Committee, we are glad to inform you that your paper entitled **“Magnetic states and processes of magnetization reversal of one-dimensional arrays of ferromagnetic nanoparticles”** has been accepted for **poster** presentation at the Third Asian School-Conference on Physics and Technology of Nanostructured Materials (ASCO-NANOMAT 2015)

The Conference will be held on the campus of Far Eastern Federal University (Russky Island, Vladivostok, Russia) from 19 to 26 August, 2015.

Looking forward to meeting you in Vladivostok!

Chair of ASCO-NANOMAT 2015,
Deputy director on scientific and innovation
work of IACP FEB RAS
