What Causes Students' Erroneous Translations?

*Short paper Teaching*

*Methods*

This report centers on the problem of students' erroneous translations from English into Russian. The character of mistakes will be outlined from the perspective of the necessity of preliminary detailed discussions of the source text in all its manifestations. Special attention will be paid to semantic analysis of some parts of the text causing difficulties (using examples of imaginative, Biblical and economics texts) .

*Tamara Leontyeva, member of the Translators' Union of Russia, is a teacher of theoretical courses: Stylistics of the English Language, Translation Theory and also Practice.*
