

DEAR COLLEAGUES!

We invite you to take part in the annual

I International VII All-Russian Conference “Chemistry and Chemical Technology: Achievements and Prospects”

dedicated to the 65th anniversary of the Institute of
Chemical, Oil and Gas Technologies
(Faculty of Chemistry and Technology) of KuzSTU

The conference is aimed to reflect the current state and recent achievements in the field of chemistry and chemical technology, to outline promising directions of scientific research in the field of improving the quality and range of chemical products, environmental safety of chemical industries.

The conference welcomes:

- scientists and specialists working in the field of chemistry and chemical technology;
- employees of supervisory bodies, employees of educational institutions and research institutes;
- specialists of governmental authorities;
- postgraduate students and applicants;
- students, master's students, school students;
- other interested individuals.

The scientific program of the conference includes the following key directions:

1. Chemistry and Chemical Technology of Inorganic Substances and Materials.
2. Chemical Technology of Organic Substances and Petrochemistry.
3. Technology of Plastics Production and Processing.
4. Chemical Technology of Natural Energy Carriers and Carbon Materials.
5. Ecological Problems of Chemical Technology and Related Fields.
6. Energy- and Resource-Saving Processes in Chemical Technology, Petrochemistry and Biotechnology.
7. Innovative Educational Technologies in Training of Specialists for the Chemical Industry.
8. Analytical Chemistry and Quality Control in Chemical Technology.

9. Chemistry and Chemical Technology for School Students and Students of Secondary Vocational Education.
10. Advances in Chemistry and Chemical Technology (In English).

Suggested forms of participation:

- with a report
- without a report (as a listener)
- remotely
- in absentia

Travel and accommodation of the participants are at the expense of the sending party. We hope for your participation and ask you to contribute to the dissemination of information about the conference among your colleagues and all interested individuals and organizations!

Information about the conference can be found on the website

<http://science.kuzstu.ru/event/event-reports/conference/>

Please fill in the form on the link to participate:
<https://forms.yandex.ru/u/666032be02848f56e5179e41/>

until October 31, 2024. This registration form should also include the conference materials entitled as follows: Section number_Full Name_Type of document. For example, 1_Ivanov II_Theses. If you have any questions, please contact the conference e-mail:
chemistry_kuzstu@mail.ru

No organizational fee!

Conference materials will be placed in the Russian Index of Scientific Citation (RISC). The best papers will be published in the journal “Bulletin of Kuzbass State Technical University”, which is included in the list of HAC publications of category K 1.

FORMATTING REQUIREMENTS

The volume of materials should not exceed 5 pages of text in Russian or English, typed in Microsoft Word with Times New Roman font, in .docx or .doc format, 14 pt (font size) with single line spacing. Margins: top and bottom - 2.2 cm, left and right - 2.2 cm. Paragraph indent - 1.25 cm. Text alignment by width. Set automatic hyphenation.

The title of the article is indicated in bold capital letters in the top center. Through one line in the center - initials and surname of the author, academic degree, academic title, position; for students - group code and course. On the next line the full name of the institution, then the city. Through two lines - the text of the article. All figures, charts, graphs are provided in the format of figures. At the end of the article after the title “List of literature” is a list of sources used. Bibliographic references should be arranged in accordance with GOST P 7.0.5-2008 “Bibliographic reference. General requirements and rules of arrangement”.

The authors should attach an abstract in Russian and English to the materials.

Materials that are not arranged according to the requirement will not be accepted for publication!

The author is responsible for the content of the materials presented in the article.

ARRANGEMENT EXAMPLE

UDC 625

CHEMICAL INDUSTRY ISSUES

I.I. Ivanov, Candidate of Technical Sciences, Associate Professor

T.F. Gorbachev Kuzbass State Technical University
Kemerovo

1. *Kutepov, A. M.* General chemical technology / A. M. Kutepov, T. I. Bondareva, M. G. Berengarten. – Moscow: Higher School, 2003. – 520 p.

PROGRAM COMMITTEE:

Chairman:

Yakovlev Alexey Nikolaevich

Rector of T.F. Gorbachev Kuzbass State Technical University, Kemerovo, Doctor of Technical Sciences, Associate Professor

Co-chairmen:

Umirov Farhod Ergashovich – Professor of Navoi State Mining and Technological University, Republic of Uzbekistan, Doctor of Technical Sciences

Mukhiddinov Bakhodir Fakhriddinovich – Professor of Navoi State Mining and Technological University, Republic of Uzbekistan, Doctor of Chemical Sciences

Nurmurodov Tulkin Isamurodovich – Professor of Navoi State Mining and Technological University, Republic of Uzbekistan, Doctor of Technical Sciences

Tikhonov Victor Vladimirovich

Director of the Institute of Chemical and Oil and Gas Technologies, KuzSTU, Candidate of Technical Sciences

Cherkasova Tatiana Grigoryevna

Scientific Supervisor of the Institute of Chemical and Oil and Gas Technologies of KuzSTU, Doctor of Chemical Sciences, Professor

ORGANIZING COMMITTEE:

Chairman:

Tikhomirova Anastasia Vladimirovna – Deputy Director of the Institute of Chemical and Oil and Gas Technologies for scientific work of KuzSTU, Candidate of Chemical Sciences, Associate Professor

Kazmina Olga Viktorovna – Professor of National Research Tomsk Polytechnic University, Doctor of Technical Sciences

Sharipov San'at Shukhratovich – Associate Professor of Navoi State Mining and Technological University, Republic of Uzbekistan, PHD

Zhalilov Razzok Samatovich – Associate Professor of Navoi State Mining and Technological University, Republic of Uzbekistan, PHD

Ibragimov Alisher Davlatovich – Assistant of Navoi State Mining and Technological University, Republic of Uzbekistan

Skorokhodov Alexey Vyacheslavovich – Head of Production Department, KAO “Azot”, Kemerovo

Solodov Vyacheslav Sergeevich – Head of Central Plant Laboratory of PAO “Koks”, Kemerovo, Candidate of Technical Sciences

Andryushkov Alexey Anatolyevich – Acting Head of the Department of “Energy and Resource Saving Processes in Chemical and Oil and Gas Technologies”, Institute of Chemical and Oil and Gas Technologies KuzSTU, Candidate of Technical Sciences

Nevedrov Alexander Viktorovich – Head of the Department of “Chemical Technology of Solid Fuel”, Institute of Chemical and Oil and Gas Technologies KuzSTU, Candidate of Technical Sciences, Associate Professor

Pevneva Inna Vladimirovna – Head of the Department of “Foreign Languages”, Institute of Chemical and Oil and Gas Technologies, KuzSTU, Candidate of Philological Sciences, Associate Professor

Pilin Maxim Olegovich – Deputy Director of the Institute of Chemical and Oil and Gas Technologies, KuzSTU

Puchkov Sergey Veniaminovich – Deputy Director of the Institute of Chemical and Oil and Gas Technologies on educational work of KuzSTU, Candidate of Chemical Sciences, Associate Professor

Tretyakov Vladimir Nikiforovich – Head of the Department of “Technology of Plastics, Organic Substances and Petrochemistry” of the Institute of Chemical and Oil and Gas Technologies, KuzSTU, Candidate of Technical Sciences, Associate Professor

Chenskaya Valentina Vasilievna – Head of the Department of “Chemistry, Technology of Inorganic Substances and Nanomaterials”, Institute of Chemical and Oil and Gas Technologies, KuzSTU, Candidate of Chemical Sciences, Associate Professor

Borodin Dmitry Andreevich – Leading specialist of Research Institute of KuzSTU

Secretary:

Tikhonov Nikolay Viktorovich – Associate Professor of the Department of “Energy and Resource Saving Processes in Chemical and Oil and Gas Technologies” Institute of Chemical and Oil and Gas Technologies, KuzSTU, Candidate of Technical Sciences

CONTACT INFORMATION

The conference will be held in the Institute of Chemical and Oil and Gas Technologies of the T.F. Gorbachev Kuzbass State Technical University at the address: **Russia, Kemerovo, 50 Let Oktyabrya St., 17.**
