

Гарусова Л.Н., Пигинешева А.П. Russian –American regional relations in past and future: historic analogies and parallels // Актуальные проблемы мировой политики: региональное и международное измерение / науч. ред. проф. Л.Н.Гарусова. – Владивосток: Изд-во ВГУЭС, 2008. - С. 84-91 (0,5 п.л.).

The article investigates historical analogies and parallels of Russian-American relationships in the Far East. A lot of analogies can be found concerning American regional transport and communication projects. During the last two centuries American business had been seeking to penetrate Russian Far East by developing different types of communication there, but that attempts faced strong resistance of local and federal authorities
